Re: Requested Adoption Under Section 252(i) of the TA96

Dear Mr. Sugarman:

Verizon New England Inc., d/b/a Verizon Maine, f/k/a New England Telephone and Telegraph Company, d/b/a Bell Atlantic - Maine ("Verizon"), has received your letter stating that, under Section 252(i) of the Telecommunications Act of 1996 (the "Act"), Mid Maine Communications ("Mid Maine") wishes to adopt the terms of the Interconnection Agreement between AT&T Wireless Services, Inc. ("AWS") and Verizon that was approved by the Maine Public Utilities Commission (the "Commission") as an effective agreement in the State of Maine, as such agreement exists on the date hereof after giving effect to operation of law (the "Terms"). I understand Mid Maine has a copy of the Terms. Please note the following with respect to Mid Maine's adoption of the Terms.

1. By Mid Maine's countersignature on this letter, Mid Maine hereby represents and agrees to the following three points:
 - (A) Mid Maine adopts (and agrees to be bound by) the Terms of the AWS/Verizon agreement for interconnection as it is in effect on the date hereof after giving effect to operation of law, and in applying the Terms, agrees that Mid Maine shall be substituted in place of AT&T Wireless Services, Inc. and AWS in the Terms wherever appropriate.

- (B) Notice to Mid Maine and Verizon as may be required under the Terms shall be provided as follows:

- (C) Mid Maine represents and warrants that it is a FCC-licensed provider of two-way wireless service in the State of Maine, and that its adoption of the Terms will cover services in the State of Maine only.
2. Mid Maine's adoption of the AWS Terms shall become effective on January 25, 2002. Verizon shall file this adoption letter with the Commission promptly upon receipt of an original of this letter countersigned by an authorized officer of Mid

Maine. The term and termination provisions of the AWS/Verizon agreement shall govern Mid Maine's adoption of the Terms. The Mid Maine/Verizon agreement is currently scheduled to terminate on January 31, 2002.

3. As the Terms are being adopted by you pursuant to your statutory rights under section 252(i), Verizon does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by Verizon of the Terms does not in any way constitute a waiver by Verizon of any position as to the Terms or a portion thereof, nor does it constitute a waiver by Verizon of all rights and remedies it may have to seek review of the Terms, or to seek review in any way of any provisions included in these Terms as a result of Mid Maine's 252(i) election.
4. On January 25, 1999, the Supreme Court of the United States ("Court") issued its decision on the appeals of the Eighth Circuit's decision in *Iowa Utilities Board*. Specifically, the Supreme Court modified several of the FCC's and the Eighth Circuit's rulings regarding unbundled network elements and pricing requirements under the Act. *AT&T Corp. v. Iowa Utilities Board*, 119 S. Ct. 721 (1999). Certain provisions of the Terms may be void or unenforceable as a result of the Court's decision of January 25, 1999, the United States Eighth Circuit Court of Appeals' decision in Docket No. 96-3321 regarding the FCC's pricing rules, and the current appeal before the U.S. Supreme Court regarding the FCC's new UNE rules. Moreover, nothing herein shall be construed as or is intended to be a concession or admission by Verizon that any provision in the Terms complies with the rights and duties imposed by the Act, the decisions of the FCC and the Commissions, the decisions of the courts, or other law, and Verizon expressly reserves its full right to assert and pursue claims arising from or related to the Terms.
5. Verizon reserves the right to deny Mid Maine's adoption and/or application of the Terms, in whole or in part, at any time:
 - (a) when the costs of providing the Terms to Mid Maine are greater than the costs of providing them to AWS;
 - (b) if the provision of the Terms to Mid Maine is not technically feasible; and/or
 - (c) to the extent that Verizon otherwise is not required to make the Terms available to Mid Maine under applicable law.
6. For avoidance of doubt, please note that adoption of the Terms will not result in reciprocal compensation payments for Internet traffic. Verizon has always taken the position that reciprocal compensation was not due to be paid for Internet traffic under section 251(b)(5) of the Act. Verizon's position that reciprocal compensation is not to be paid for Internet traffic was confirmed by the FCC in the Order on Remand and Report and Order adopted on April 18, 2001 ("*FCC Internet Order*"), which held that Internet traffic constitutes "information access" outside the scope of the reciprocal compensation obligations set forth in section

251(b)(5) of the Act.¹ Accordingly, any compensation to be paid for Internet traffic will be handled pursuant to the terms of the *FCC Internet Order*, not pursuant to adoption of the Terms.² Moreover, in light of the *FCC Internet Order*, even if the Terms include provisions invoking an intercarrier compensation mechanism for Internet traffic, any reasonable amount of time permitted for adopting such provisions has expired under the FCC's rules implementing section 252(i) of the Act.³ In fact, the *FCC Internet Order* made clear that carriers may not adopt provisions of an existing interconnection agreement to the extent that such provisions provide compensation for Internet traffic.⁴

7. Should Mid Maine attempt to apply the Terms in a manner that conflicts with paragraphs 3-6 above, Verizon reserves its rights to seek appropriate legal and/or equitable relief.
8. In the event that a voluntary or involuntary petition has been or is in the future filed against Mid Maine under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization or composition or extension of debt (any such proceeding, an "Insolvency Proceeding"), then: (i) all rights of Verizon under such laws, including, without limitation, all rights of Verizon under 11 U.S.C. § 366, shall be preserved, and Mid Maine's adoption of the Verizon Terms shall in no way impair such rights of Verizon; and (ii) all rights of Mid Maine resulting from Mid Maine's adoption of the Verizon terms shall be subject to and modified by any Stipulations and Orders entered in the Insolvency Proceeding, including, without limitation, any Stipulation or Order providing adequate assurance of payment to Verizon pursuant to 11 U.S.C. § 366.

² For your convenience, an industry letter distributed by Verizon explaining its plans to implement the *FCC Internet Order* can be viewed at Verizon's Customer Support Website at URL www.verizon.com/wise (select Verizon East Customer Support, Resources, Industry Letters, CLEC).

³ See, e.g., 47 C.F.R. Section 51.809(c).

Please arrange for a duly authorized representative of Mid Maine to sign this letter in the space provided below and return it to the undersigned.

Sincerely,
